Activity Overview

The partnership covers a wide variety of activities. These can be clustered into the following categories:

JOB ORIENTATION

to help youth understanding the job market

SOFT & BASIC SKILLS TRAINING

to prepare for entering the job market

EXPOSURE TO PROFESSIONAL WORKING ENVIRONMENT

ENTREPRENEURSHIP INCUBATORS

to prepare young people to start their own business

Workshops and Training Sessions

Workshops and training sessions represent the popular activity types in GoTeach programme in 2017. The young people develop their personal and professional skills such as communication skills, language skills, personal finance, work-related skills, team work and many more.

In all 26 GoTeach countries

Camp-style activity

The greatest benefit is that they can address a large new target group, the youth from remote areas. During the 2-3 days of full agenda of career orientation, there are a variety of activities and skills covered: vocational training, work experience skills and other necessary skills to enter in the working world. Employees from different

Indonesia, Mauritius, Madagascar, Thailand, Peru

Career Fairs

The purpose of career fairs is letting young people get insights on the professional work environment and developing a vision of their future by showing them the variety of career opportunities offered by DHL, their customers and vendors.

Mexico, Madagascar

Mentoring

Through the mentorship sessions, DHL middle and senior managers provide the young people not only with work exposure and professional experiences, but they foster also personal development, confidence, esteem and leadership skills.

Madagascar, Lithuania, Tanzania, Uganda

Business Unit Tours

Young People visit different Business Units of DHL, where the volunteers show them different departments and job types

Morocco, South Africa, Tanzania

Internships and Job Shadowings

The internship activity is a great learning experience for both the intern and the volunteer. The youth develops personally and professionally, so that after the internship experience they are independent, know better what they want in life and feel prepared for working in a professional environment. The volunteers are role models for the youth and feel the impact they can make on their lives
